CENTRE OF EXCELLENCE IN AGRICULTURAL DEVELOPMENT AND SUSTAINABLE **ENVIRONMENT (CEADESE)**

INFORMATION ABOUT THE UNIVERSITY

CORPORATE EXISTENCE 1.0

The Federal University of Agriculture, Abeokuta (FUNAAB) was established by Decree No. 48 of 2 November, 1992 by the then Military Government of Nigeria (among the three Universities of Agriculture: others are in Makurdi and Umudike) as a centre of excellence in teaching, academic, research and professional programmes leading to award of first degrees (including diplomas) and postgraduate degrees.

The first supervising Ministry was Federal Ministry of Agriculture and Natural Resources but it is currently under the Federal Ministry of Education effective from January, 2002. The National Universities Commission (NUC) is responsible for courses accreditation.

GENERAL INFORMATION ABOUT CEADESE 1.1

The African Centre of Excellence (ACE) is an initiative of the World Bank, the Association of African Universities (AAU) and the beneficiary Countries. The aim is to restructure education at the post graduate level so that Universities can train graduates relevant to industry needs and national/regional development.

Specifically, the World Bank is keen on enhancing Teaching, Training and Research to deliver the aims. Furthermore, the World Bank wants to encourage research collaboration with other national and regional institutions and industries. Through competitive selection, Nineteen (19) Universities in West Central Africa were designated as Centre of Excellence in specific subject areas. The Federal University of Agriculture, Abeokuta was awarded the Centre of Excellence in Agricultural Development and Sustainable Environment (CEADESE).

The Centre of Excellence in Agricultural Development and Sustainable Environment (CEADES) is a Centre of Excellence in agriculture anchored at the Federal University of Agriculture, Abeokuta (FUNAAB), Nigeria.

The Centre is to focus on teaching, learning and research excellence in agricultural productivity under sustainable environment.

The Centre through the post graduate school and University Senate will award M. Agse and Ph.D Agse in the subject areas that is approved by the World Bank.

VISION

To be a leading learning and research centre in facilitating sustainable agricultural development for enhanced livelihoods.

CENTRE OF EXCELLENCE IN AGRICULTURAL DEVELOPMENT AND SUSTAINABLE ENVIRONMENT (CEADESE)

INFORMATION ABOUT CEADESE (CONT'D)

1.2 GUIDING RULES AND REGULATIONS

Guiding rules and regulations will according to Federal University of Agricultures Financial Regulations, Extant Senior Staff Rules and Regulations Governing the conditions of service as derived from Cap F22 Laws of the Federation of Nigeria LFN 2004 establishing the University of Agriculture, Abeokuta and by virtue of all powers enabling in that behalf. These regulations will be included in the MOU to be signed by parties.

AUDITOR'S REPORT TO THE GOVERNING COUNCIL OF CENTRE OF EXCELLENCE IN AGRICULTURAL DEVELOPMENT AND SUSTAINABLE ENVIRONMENT (CEADESE)

We have audited the Financial Statements for the year ended 31 December, 2017 as set out on pages 5 to 16 which have been prepared under the historical cost convention and in accordance with accounting policies and explanatory notes set out on pages 9 to 14.

RESPECTIVE RESPONSIBILITIES OF GOVERNING COUNCIL OF FUNAAB AND AUDITORS

The Governing Council is responsible for the preparation of the financial statements and ensures that adequate internal control procedures are instituted to safeguard assets, prevent and detect fraud and other irregularities; proper accounting records are maintained; and applicable standards are followed. It is our responsibility to form an independent opinion, based on our audit, on the financial statements and report our opinion to you.

BASIS OF OPINION

We conducted our audit in accordance with International Auditing Standards. An audit includes examination, on a test basis, of evidence, relevant to the amounts and disclosures in the Financial Statement. It also includes an assessment of the significant estimates and judgements made by the Members in the preparation of the Financial Statements and whether the Accounting policies are appropriate to the University's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary to provide us with sufficient evidence to give a reasonable assurance that the Financial Statements are free from material misstatements, whether caused by fraud, error or other irregularities.

In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the Financial Statements and assessed whether the Centre of Excellence in Agricultural Development and Sustainable environment (CEADESE) books of accounts had been properly kept.

OPINION

In our opinion, and to the best of the information and explanations given to us, the books of accounts give a true and fair view of the state of the affairs as at 31 December, 2017 and of the surplus of income over expenditure and cash flow together with the Accounting policies and notes on the accounts have been properly prepared in accordance with the relevant International Public Sectors Accounting Standards.

REPORT ON OTHER REGULATORY REQUIREMENTS

In carrying out our audit we also reviewed the Eligible Expenditure Programs (EEP's) of CEADESE which contained CEADESE's Staff salaries and other non-procurable operational cost of the program.

CENTRE OF EXCELLENCE IN AGRICULTURAL DEVELOPMENT AND SUSTAINABLE ENVIRONMENT (CEADESE)

EXPLANATORY NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED, 31 DECEMBER, 2017

1.0 STATEMENT OF COMPLIANCE AND BASIS OF PREPARATION

The financial statements of the centre have been prepared in accordance and compliance with International Public Sector Accounting Standard (IPSAS). The financial statements are presented in Naira, which is the functional and reporting currency of the centre.

The financial statements have been prepared on the basis of historical cost, unless stated otherwise. The Cashflows statement is prepared on cash basis using the direct method.

2.0 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a) Property, Plant and Equipment

All property, plant and equipment are stated at cost less accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the items. All other repair and maintenance costs are recognized in the statement of financial performance as incurred. Where an asset is acquired in a non-exchange transaction for nil or normal consideration the asset is initially measured at its far value.

Under IPSAS 17, the centre has elected to use the cost model for all classes of property, plant and equipment, depreciation on assets is charged on a straight line basis over the useful life at the asset. Depreciation is charged at rates calculated to allocate the cost or valuation of the asset less any estimated residual value over its remaining useful life.

Computer Equipment

3years

Office Equipment

5years

b) Intangible Assets

Intangible Assets acquired separately are initially recognised at cost. The cost of intangible assets acquired on a non-exchange transaction is their fair value at the date of the exchange following initial recognition, intangible assets are carried at costless any accumulated amortization and accumulated impairment losses.

CENTRE OF EXCELLENCE IN AGRICULTURAL DEVELOPMENT AND SUSTAINABLE **ENVIRONMENT (CEADESE)**

EXPLANATORY NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED, 31 DECEMBER, 2017

Internally generated intangible assets, excluding capitalized development costs are not capitalized and expenditure is reflected in the statement of financial performance in the period in which the expenditure is incurred. Intangible assets with a finite useful life is amortized over its useful life.

Intangible assets with an infinite useful life are assessed for impairment whenever there is an indication that the asset may be impaired.

Financial Liabilities c)

Financial Liabilities within the scope of IPSAS 29 are classified as financial liabilities at fair value through surplus or deficit or loans, borrowings and advances as appropriate. The centre determines the classification of its financial liabilities at initial recognition.

The centre's financial liability is mainly advances received from FUNAAB.

Revenue Recognition d)

Revenue from Exchange Transaction i.

IPSAS 9 applies to revenue arising from the following exchange transactions and events:

- The rendering of services
- The sale of goods, and >
- The use of others of entity assets yielding interest, royalties and dividends
- Revenue shall be measured at the fair value of the consideration received > D or receivable.

Recognition:

From sale of goods: When significant risks and rewards have been transferred to purchase, loss of effective control by seller, amount can be measured reliably; it is likely that the economic benefits or service potential associated with the transaction can be measured reliably.

CENTRE OF EXCELLENCE IN AGRICULTURAL DEVELOPMENT AND SUSTAINABLE ENVIRONMENT (CEADESE)

EXPLANATORY NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED, 31 DECEMBER, 2017

From rendering of services: Revenue is recognised over a period of time (the period of instruction) in line with the way the services are provided over that period of time.

ii. Revenue from Non Exchange Transaction

Non exchange transactions are transactions that are not exchange transactions. In a non-exchange transaction, the centre either receives value from another entity without directly giving approximately equal value in exchange, or gives value to another entity without directly receiving approximately equal value in exchange.

- > Transfers are inflows of future economic benefits or services potential from non-exchange transactions, other than taxes.
- > Stipulations on transferred assets are terms in laws or regulations, or a binding arrangement, imposed upon the use of a transferred asset by entities external to the reporting entity.
- Conditions on transferred assets are stipulations that specify that the future economic benefits or service potential embodied in the asset is required to be consumed by the recipient as specified or future economic benefits or service potential must be returned to the transferor.
- Restrictions on transferred assets are stipulations that limit or direct the purpose for which a transferred asset may be used, but do not specify that future economic benefits or service potential is required to be returned to the transferor if not deployed as specified.
- An inflow of resources from a non-exchange transaction, other than services in-kind, that meets the definition of asset shall be recognized as an asset when and only when the future economic benefits or service potential associated with the asset will flow to the centre and the fair value of the asset can be measured reliably.

CENTRE OF EXCELLENCE IN AGRICULTURAL DEVELOPMENT AND SUSTAINABLE ENVIRONMENT (CEADESE)

VALUED ADDED STATEMENT FOR THE YEAR ENDED, 31 DECEMBER, 2017

	2017 N	%	2016 N	%
Income	387,996,361		15,677,898	
Less:				
Administrative Expenses & Payment for Other Service	(167,668,306)		(31,393,709)	***************************************
Value Added	220,328,055	100	(15,715,811)	100
APPLIED AS FOLLOWS				
Future Expansion				
Depreciation and Amortization	30,343,902	13.80	2,980,744	18.97
Surplus of Income	189,984,153	86.20	(18,696,555)	(118.97)
Value Added	220,328,055	100	(15,715,811)	(100)

Value Added represents the additional wealth the Centre has been able to create by its own efforts. This statement shows the surplus being ploughed back for creation of more wealth.
