Further Comments (SELECTED)					
No.141	If this program will continue every year I will appreciate				
No.159	This training is very good for our environment here, thereby decrease the level of unemployment				
No.	The training is well organized and very useful to our contemporary world and I would encourage the sponsorer of the programme to continue spreading the training to rural areas where agriculture is being practiced.				
No.86	This programme will bring about reduction in unemployment and enable us to earn more income.				
No.	The World Bank should bring money for loan for people to start their on broilers or fisheries production
